If the deceased was a non-resident at the time of death, the charges outlined above will be doubled, except where plots with exclusive right of burial had been purchased in the name of the deceased.

Advance purchase of Exclusive Rights of burial: Those wishing to purchase exclusive rights will be charged the Misterton Residents' fee structure above (ie single rather than double), provided that:

- They can prove that they have lived in the Parish of Misterton *and*
- Still have immediate family members residing in the Parish or laid to rest in Misterton Cemetery.

\*\* The administration fee is a flat charge which applies to all burials (including interment of ashes) and the grant of the exclusive right of burial certificate, whether or not the deceased was a resident of Misterton at the time of death.

This scale of charges was reviewed at the October 2018 meeting of the Parish Council. Misterton Parish Council as the relevant burial authority has the right to charge such fees as it thinks proper for the items laid out above under the Local Authorities Cemeteries Order 1977, SI 1977/204, art 15(1) and Sch. 2, part II, para 6.
